Our United Efforts Bring About Results!

As we prepare for another special event in American history, **Thanksgiving Day**, all of us from the **Buy American Made – Support American Workers Campaign** wish you and yours a **Happy Thanksgiving**.

The **2023 HOLIDAY SEASON** continues with the celebration of November as National “American Made Month.” This is a time of year for us to consider the well-being of our families and to unite and focus our spending power to benefit American workers and bring about positive changes to America’s economy.

During the holiday season we encourage everyone to carefully consider the gifts and other products you’re planning to purchase for your holiday celebrations. Look at labels and consider how your purchases will benefit the jobs of your

family and friends.

The Thanksgiving holiday is a time to give thanks and also an **opportunity to encourage your family and friends to support the efforts of the Buy American Made Campaign** which strives to support America’s businesses and people they employ.

The day after Thanksgiving is known as **Black Friday** when stores offer pre-holiday discounts to shoppers. It’s followed by **Small Business Saturday**, another opportunity to support the small businesses in your community.

Throughout the month of December, we will once again be asking everyone to help us promote December as **National Small Business Month** and ask people to support their local small businesses.

Thanks for helping to promote the ongoing efforts of the **Buy American Made Campaign. November as American Made Month and December as NATIONAL SMALL BUSINESS MONTH.** The best ways to spread the word is to encourage your family and friends to visit AmericanWorkersRadio.com, where all of our efforts are outlined.

Thanks for your participation. Kindly continue to spread the word.
