November is American Made Month!

In 2014, supporters of the **Buy American Made Campaign** proclaimed **November as “American Made Month”**. We asked everyone to make an extra effort during this month long effort to seek out products made and assembled in the United States of America which support private sector businesses and keep Americans employed.

Here are a few ways you can help.

1. During the entire FIRST weekend of November, go out of your way to support National Small Business Weekend, which is always held the first full weekend of every month.
2. November 5th is National Election Day, vote for political leaders who support efforts to expand the American Made campaign and jobs for Americans from the self-employed to individuals employed by major corporations.
3. Weekend of November 8th, 9th & 10th, promote American Made items, list the places where they are sold with a focus on items for the holidays.
4. November 11th, Veterans Day, a time to honor veterans and promote jobs for America's veterans and all American workers.
5. November, 28th, Thanksgiving Day, a time to give thanks and unite our families to support the Buy American Made Campaign and jobs for American workers.
6. Friday, November 29th, Black Friday, a time to focus on American Made EVERYTHING, to benefit businesses that employ American workers.
7. November 30th, Small Business Saturday, a national event to support America's small businesses and another opportunity to look at labels and ways to support American workers.
8. November 29th and 30th, the last days of American Made Month, which are additional opportunities to consider what more can be done to make the balance of the holiday shopping season a success for America's businesses and American workers.

In order to spread the word to businesses making and selling products in the United States, forward our message and our Internet address to everyone you know and ask them to forward it to others. On our site there is also a special poster to promote **November as American Made Month**. Visit our Internet site: AmericanMadeMonth.com. Thanks for spreading the word.
