America Needs All of Us Focused on America!

The holiday season is an opportunity for us to enjoy time with our family and friends and an opportunity to promote efforts like the **Buy American Made Campaign**. During the month of December, we have been promoting “**National Small Business Month**” to help America’s small businesses that offer products and services to us, not only during the holiday shopping season, but throughout the year. **America’s small businesses employ more than 60 million Americans and 70% of every dollar spent at local businesses is re-circulated within local economies.** Your business also adds to the well-being of small businesses and employment opportunities for our fellow Americans.

As you’re out shopping, look to support as many products made in the United States of America so that we can continue to maintain and create more jobs for American workers. During your holiday season, let everyone know you’re a **Buy American Made Campaign** supporter and invite them to visit our Internet sites.

These Internet sites and our grass roots campaigns have united and informed millions of people about the importance of restoring jobs and job skills in America. With your help we will have even more success in the future. **Best wishes to you and yours and thanks for supporting the Buy American Made Campaign.**
