America Needs All of Us!

During this festive holiday season, all of us involved in the **Buy American Made Campaign** thank you for supporting our efforts. We ask that you **spread the word to family and friends** because your words and actions add to the urgency to restore jobs in the U.S.A. Foreign made products have flooded America's stores for too long and it's time for America's consumers to work together to insure that more American made items return to our stores shelves.

**THE HOLIDAY SHOPPING
SEASON IS HERE.**

SUPPORT AMERICAN WORKERS!

As you out shopping **look to support the small, medium and large businesses that are manufacturing and employing people in the United States of America.** During the last 25 years, many stores were forced to become outlets for foreign made

products because foreign made items were the only items available to stores from their suppliers. **This can't continue** and in order to **urge merchandisers to seek out more of the items still made in the U.S.A.**, America's consumers must not only request American made products, but also shop around and purchase the items presently made and distributed in the U.S.A.

During your holiday celebrations, let everyone know you're a **Buy American Made Campaign** supporter and invite them to **visit our Internet sites.**

With your help we will have even more success in the future. Best wishes to you and yours and thanks for supporting the **Buy American Made Campaign.**
