It's Always a Good Time to Support American Made!

Seasons Greetings, Merry Christmas and Best Wishes to all during this festive holiday season from everyone promoting the Buy American Made Campaign. We ask that you continue to spread the word to family and friends because your words and actions help expand and restore long-term jobs and job skills in the United States.

As you shop, look to support businesses that are manufacturing and employing people in the United States of America. **During the last 35 years, many stores were forced to become outlets for foreign made products because American made products became more unavailable and suppliers focused more on foreign made items.**

This can't continue and in order to urge merchandisers to seek out more items still made in the United States, **America's consumers must request and purchase American made products so businesses owners see how customers are directing their buying power.**

During your holiday celebrations, let everyone know you're a **Buy American Made Campaign** supporter and invite them to visit our **Internet sites.**

Best wishes to you and yours for an enjoyable holiday season and thanks for supporting the **Buy American Made Campaign.**
